GREETINGS FROM THE DIRECTOR

Fall 2019

Summer is almost over, but the fun continues, and the Community Services & Parks Department is making sure of it! We've planned a variety of fall programs for all ages and interests.

People of all ages can enjoy dance, sports, visual arts, fitness and wellness classes for all skill levels.

Preschoolers and their parents can enjoy Tot Time together. Youth can drop-in at Maple Park's After-School Club, join us for Teen Night Out every other Friday at Pacific Community Center, and look forward to our Thanksgiving and Winter break camps. Fall 2019 will also see the beginning of the fifth year of the Community Services & Parks One Glendale Afterschool Youth Sports Program, a collaboration between the City, Glendale Unified School District, and Glendale Parks & Open Space Foundation, providing after school sports for students in the 4th and 5th grades at eight south Glendale schools.

Families can enjoy the great outdoors by participating in our popular Trails & Open Space Program or visiting the historical buildings in our parks. Parents, if you need some time alone, we'll take care of the kids on select Friday nights at Pacific and Sparr Heights Community Centers as part of our Parent's Night Out program.

Seniors will be the life of the party at the Wild Wild West, Halloween, and Thanksgiving special celebrations at the Adult Recreation Center and Sparr Heights Community Center. They can also enjoy Karaoke on Tuesdays and Fridays, a mixer with dancing on Thursdays at the Adult Recreation Center, and much, much more.

A variety of human services are also available to seniors, youth and families, the homeless, and job seekers year round through the Community Services & Parks Department.

Look inside to find out more!

Respectfully,

Onnig Bulanikian, Director
Community Services & Parks Department

YOGA by Yoga Circle Downtown

Postures (Asanas) stretch, tone and strengthen the entire skeletal system, working not only the body's frame, but the internal organs, glands and nerves as well. These postures are linked via a connective movement (Vinyasa) and powerful breath work. These breathing exercises (pranayama) refresh and cleanse the body and help to control the mind. The union (yoga) of these two forces (Asana and Pranayama), release physical and mental tension, liberating vast resources of energy with increased mental power, clarity and concentration. This practice over

time will bring your being into peak physical and mental condition.

Historic Buildings in Glendale Parks

Le Mesnager Barn at Deukmejian Wilderness Park 3429 Markridge Rd., Glendale, CA 91214

Deukmejian Wilderness Park occupies a rugged 709 acre site in the foothills of the San Gabriel Mountains at the northernmost extremity of the City of Glendale. Trails on the site provide spectacular views of the Crescenta Valley and the Los Angeles basin. The site is relatively undeveloped except for an area of approximately 12 acres in the southern part of the property (the Park Center area) that houses the historic Le Mesnager Barn.

For information, call (818) 548-3795.

Rockhaven Sanitarium 2713 Honolulu Ave., Glendale, CA 91020

Rockhaven is a rare surviving example of the Sanitariums that once flourished in the Crescenta Valley. First opened in 1923 by Agnes Richard as a “home for the feeble-minded women,” and later known as the “Screen Actor’s Sanitarium,” Rockhaven housed several Hollywood celebrities, such as Billie Burke, Flo Zigfield, Clark Gable’s first wife, as well as Marilyn Monroe’s mother. Over time, Agnes Richards purchased several neighboring Craftsman-style houses, and in the late 1920s and 1930s built several Spanish Colonial Revival style buildings which were designed specifically for the purpose of medical care and patient accommodations,

expanding the facility to an approximately 3.5 acre site.

The character of this property was as much defined by its landscape as it was by its buildings. The buildings were, and still are, connected by meandering landscaped pathways, intimate gardens, patios, courtyards and expansive perimeter gardens to create a home-like setting for the individual care of the patients. In 1966, Rockhaven was awarded for its landscaping by Los Angeles Beautiful, Incorporated.

The City purchased the property in 2008 from Ararat Home, who had purchased the property in 2001 to operate a convalescent facility. The facility remains closed to the public at this time due to safety concerns.

You can read more about the facility by visiting the City’s website, www.glendaleca.gov, and searching Rockhaven in the search bar.

HISTORY

- The two-story house originally stood at 921 East Wilson Avenue in Central Glendale, but was moved to its present location in 1980.
- Four early doctors owned it in succession, giving the house its name. It was later occupied by silent screen icon Nell Shipman and her family in the early 1900s.
- Threatened with demolition in 1979, community activists organized to save it and formally incorporated The Glendale Historical Society on October 24, 1979.

- The Teahouse, which was designed by architect Hayahiko Takase, is a unique blending of western and eastern design and an apt expression of the spirit of cross-cultural community.
 - Nestled at the foot of the Verdugo Mountains beside a koi pond in a charming Japanese-style garden setting, the Teahouse is in a unique position to outreach to the community of Glendale and greater Los Angeles.
 - The Japanese Friendship Garden surrounding the Teahouse is available for weddings and other special events.

HISTORY

- The Teahouse represents the spirit of goodwill, lasting peace and friendship between the people of Japan and the United States.
- Given the name "Shoseian" or "Whispering Pine Teahouse" by Genshitsu Sen, the Fifteenth Grand Tea Master of the Urasenke School of Tea in Japan, the Teahouse is designated an official Tearoom. Dr. Yamazaki of Higashi-Osaka provided initial support for the Teahouse and Gardens.
- Through recent cooperative efforts by the City of Glendale and Friends of Shoseian, the Teahouse was refurbished and designated as Glendale Register of Historic Resources #46.

HISTORY

- Casa Adobe de San Rafael is registered as California Landmark #235 and Glendale Register of Historic Resources #3.
- The Casa was built around 1870 by Tomas Sanchez, former sheriff of Los Angeles County, using adobe blocks to form the walls, which were then covered with stucco.
- In 1875, the property was sold, left abandoned, and fell into a ruinous state.
- In 1930 the Casa was purchased by the California Medicinal Wine Company who planned to tear down the structure and remove the large eucalyptus trees on the property. Local neighbors and community members stopped the demolition and began a campaign to preserve the house as a historic landmark.
- The City of Glendale purchased the adobe in 1930 and by 1932 La Casa de Adobe de San Rafael was completely refurbished.
- Today, the adobe includes a Monterey-style corridor (covered porch), beautiful sunken garden, brick patio, sandy brown tile roof, and long narrow front windows adorned with teal shutters. Interior furnishings are from the nineteenth century.

HOURS OF OPERATION

Daily 8:00 a.m.- Dusk

Docent: Days of the Verdugos Heritage Association

FACILITY DESCRIPTION

- The park is 1.3 acres in size and is nestled at the base of the Verdugo Mountains in a residential neighborhood.
- Amenities include a walking trail, a garden, and a shaded picnic area with wooden tables, benches, and electric outlets.
- Smoking, barbecues, and amplified sound are NOT permitted because of the historic nature of the facility.

HISTORY

- The Catalina Verdugo Adobe is registered as California Historical Landmark #637 and Glendale Register of Historic Resources #1.
- The Adobe is the oldest structure in the City of Glendale. As with many early structures, the construction date of the Verdugo Adobe is uncertain. It is said the Adobe was built in 1828, but some research suggests that it dates to 1860. It was the home of Catalina Verdugo who, with her brother Julio, owned much of today's Northeast Glendale. Their father, Don Jose Maria Verdugo, was the original recipient of Rancho San Rafael, the Spanish land grant that encompassed large portions of Glendale, Burbank, and Eagle Rock.
- The grounds contain the remnants of the "Oak of Peace," under which a meeting was held in 1847 that led, a few days later, to the signing of the peace treaty, Treaty of Cahuenga, that ended the Mexican-American War.
- The Adobe originally consisted of the main room and the south wing. The north wing was added in the early 1900s, after it was sold to land developer F.P. Newport.
- In 1946, the property was sold to Dr. Ernest Bashor, and his family remained there until it was sold to the City of Glendale in 1989. It is fortunate that the historic value of the original house remained preserved.
- At present, the Museum focuses on the Verdugo family and their lifestyle in the 1800s.
